

# LOOK WHAT'S COMING TO OUR SCHOOL!

This is to let you know that our school has teamed up with Original Works - the #1 art based program in the country - to offer a very special program. This program allows you to have your child's very own artwork reproduced onto a selection of over 20 quality products. These products range from magnets, mugs and mouse pads to t-shirts, tote bags and tiles. The wide selection of professionally produced, full color products offers something for everyone.

Your child(ren) will be creating their artwork in school, using the regular art curriculum as the basis for their work of art. You will then have the opportunity to order whatever products you wish with your child's own artwork featured on each and every product.

We are thrilled to be participating in this unique and innovative program. Look for complete program, product and pricing information coming soon. Packets will be sent home on March 22.

Following the Original Works, as a separate program, we will be providing you with the opportunity to purchase for Dorchester Academy a 6"X 8" tile with your child's artwork. DA will then use the donated tiles to enhance our cafeteria with a tile wall. What a great way to beautify the school as well as showcase our talent!
